

EXPLORING CAREER IN MATH SERIES

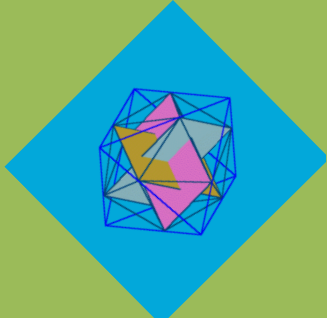

11:10AM - 1:00PM, OCTOBER 26TH, 2023

ARM-ROOM 208

Professor. Yusefa Smith

Community College of Philadelphia

▶▶▶

I am Professor Yusefa Smith, Assistant Professor of Foundational Mathematics. I'm okay with being called Professor Smith, Ms. Smith, Professor Yusefa or Ms. Yusefa. I have a bachelor's degree from Princeton University in Mechanical Engineering and a master's degree from Rutgers University in Mathematics. I began my career teaching at Beck Middle School in Cherry Hill, NJ (whew!), but after 1 year moved to the high school level and remained for 11 years. I have been teaching at Community College of Philadelphia since 2015. I enjoy reading, napping and eating. I've probably spent too much money on Bubble Teas, but they are undeniably delicious. Being able to drink a nice bubble tea from Mr. Wish while reading a good book is a great life!
