# JOHN BOYLES

## Director of Research and Development - Philadelphia 76ers

John Boyles has been with the 76ers basketball team since 2018 as the head of analytics. He has a BA in Computer Science from the University of Pittsburgh. He has spent much of his career working on the development of high-performance filesystems.

Join us for John's talk at 11:10am followed by lunch at 12:10pm.
